## Fishing for More

- What do you think it means to battle our 'ghosts'?
- What is it about legacy that seems to be so important to who we are today? Do you think that matters in the end?
- Do you see a relationship between power and gender in the film? How do they interact?
- Do you think there's such a thing as 'toxic memory'? Why/why not??
- Discuss the film's ending. What do you think that means?
