

## Fishing for More

8-08

- Do you believe in the paranormal? Why/why not?
- What do you think we should expect when a franchise is rebooted?
- Do you think we rely too much on nostalgia in our pop culture? Why/why not?
- How do you feel about the film's portrayal about the relationship between the paranormal and science?
- Gozer asks if the Ghostbusters are gods. What do you think defines a 'god' in the world of this film? What about our own?
